MEETING MINUTES

Date of Meeting: 12.06.21
Meeting at 5:30 PM

Attending: Sean Conley, Nancy Dole, Charlie Kernick, Mark Mazer, Anne Fisher, Josh Gothard

Also attending: Sig Van Raan

Hearings:

5:30 PM. Approved Nichols application for change in materials for bulkhead at 100 Music Street Map 32 Lot 25.1

5:45 PM Discussed Brandon 685 Old County Road Map 31 Lot 4 proposal to make changes to exterior plans previously approved. Because we did not have all the plans and/or information we needed we continued the hearing to December 20th at 5:30 pm.

Informal Discussion with Sig Van Raan 90 Music Street Map 32 Lot 253 for major changes and additions to existing property and driveway relocation. We decided we can consider relocation of driveway, 20 x 24 addition to house and a garage with a studio in one application, and when we have the material will schedule a hearing.

Accepted as a minor change to previously approved plan a small shed roof extension supported with two posts over approved door for Halperin studio to protect from rain and snow issues.

Respectfully submitted,

Nancy Dole, Secretary
